30. (Unclassified - THW) LIAISON Gwen Pritchard, in the office of Representative Ike Skelton (D., Mo.), called with respect to the copies we had forwarded at their request of the FOIA releases on the Liberty saying the Congressman was quite disturbed that the copies were almost unreadable and asked if we could give them any better copies. I told her that the copies were the best we could reproduce from the original material we had. She said that the Congressman was more interested in what was in the documents rather than the fact that they were copies of the originals and asked if we could provide the text in readable form. I told her we would.
